- ☐ To issue a summons

The probation officer believes that the offender has violated the following conditions of supervision:

**Violation Number 1:** The defendant must participate in a substance abuse treatment program with weekly counseling and follow the rules and regulations of that program. The program may include testing and examination during and after program completion to determine if the defendant has reverted to the use of drugs. The probation officer shall supervise the participation in the program (provider, location, modality, duration, intensity, etc.). During treatment, the defendant must abstain from the use of alcohol and any and all intoxicants. The defendant must pay the costs of such treatment if financially able.

**Nature of Noncompliance:** On October 5, 2022, Campos was enrolled in the substance abuse and mental health (co-occurring) treatment program, at Professional Counseling and Recovery Services (PCRS). As part of the substance abuse treatment program Campos is required to submit urine specimens for substance abuse testing. Campos has provided urine specimens, which have rendered positive results for methamphetamines on December 6, 2022. Campos was admonished by the probation officer for the positive urine specimen, at which time Campos admitted to have relapsed to drug use. In addition, Campos failed to report to scheduled drug testing on December 14, 2022. The officer admonished her for not reporting to drug testing and instructed her to report to drug testing on December 15, 2022; however, Campos failed to report to drug testing as instructed.

Additionally, Campos has failed to participate in her individual substance abuse and mental health (co-occurring) treatment counseling session at Professional Counseling and Recovery Services on November 21, 2022, and December 17, 2022. Campos also failed to participate in group counseling sessions on December 7, 2022, December 14, 2022. It is noted, Campos reported she was unable to report to her scheduled drug testing or treatment sessions because she was not able to leave her employment; however, she did not notify this officer prior to not making it to testing or her sessions.

**Violation Number 2:** The defendant shall participate in a mental health treatment program and follow the rules and regulations of that program. The probation officer, in consultation with the treatment provider, shall supervise participation in the program (provider, location, modality, duration, intensity, etc.). The defendant must pay the costs of such treatment if financially able.

If the defendant plans to change where the defendant works or anything about his or her work (such as the position or job responsibilities), the defendant shall notify the probation officer at least 10 days before the change. If notifying the probation officer at least 10 days in advance is not possible due to unanticipated circumstances, the defendant shall notify the probation officer within 72 hours of becoming aware of a change or expected change.

**Nature of Noncompliance:** Campos reported that since December 1, 2022, she was employed at Abundant Living Home Health LLC., El Paso, Texas. On December 16, 2022, the probation officer contacted the aforementioned employer to verify Campos' employment, at which time Human Resources staff indicated Campos was employed with the company from April 18, 2022, through May 6, 2022, but was not currently employed with Abundant Living Home Health LLC.
